Re: Continued resources for students

Dear Anaheim Elementary School District Families,

This is a brief update on the resources that continue to be available for AESD students during the extended school dismissal:

### Continued Learning for students:

- Distance learning is scheduled to begin **next Wednesday, April 1**. Teachers will be uploading lessons, and having daily office hours for interaction with students and parents. More information will be shared next week.
- Voluntary supplemental learning materials will continue to be available for students on the Student Portal which can be accessed at [aesd.org](http://aesd.org)

### Meals for students:

- In partnership with the Anaheim Union High School District and the YMCA, daily "grab and go" meals are available for children Monday through Friday. A list of the meal distribution locations and times is available at [aesd.org/freemeals](http://aesd.org/freemeals). Starting next week more locations will be added and meals will be available at all 23 of our AESD school sites.

### Communication resources:

- A Gmail account is needed to communicate with your child's teacher through Google classroom. These accounts are provided by Google free of charge. If you need assistance setting up a Gmail account, we have a helpful video available on our website that you can access through [this link](#).
- For the latest updates from the City of Anaheim about the Coronavirus response, guidelines, and resources, visit [anaheim.net/coronavirus](http://anaheim.net/coronavirus)
- To sign up for text message alerts from the County of Orange related to Covid-19, text OCCOVID19 to 888777.
- For assistance or questions about AESD programs or resources, call (714) 517-7500 or email [support@aesd.org](mailto:support@aesd.org).

**Anaheim Elementary School District schools will remain dismissed through Friday, April 17, 2020, or until further notice.** This is in alignment with Governor Newsom's "stay at home" directive. For the safety of all, we urge everyone to please follow all health agencies' and government officials' instructions.

All of the information listed above and additional resources are available on our website [aesd.org](http://aesd.org). As new information becomes available we will notify you via Parentlink.

Kind regards,

Dr. Christopher Downing  
Superintendent
