August 20, 2020

Dear AESD Families,

Thank you for your support through our first week of school. We would like to provide updates and/or reminders about the resources that are available to students and families:

- Students should have received their meal ID Card and may pick up a breakfast and lunch daily at any AESD or AUHSD site from 11 a.m. to 1 p.m.
- Safety is our top priority: Please ensure you are wearing a face covering when you pick up your meals to ensure a safe environment for everyone. (The following videos provide more information on our meal service [English version](#) and [Spanish version](#).)
- The YMCA is still taking applications for the daily child care services being offered at AESD sites. To apply, please access [this link](#).
- This week, Anaheim Public Utilities as well as other electricity providers in Southern California may continue to implement rolling power outages in response to the heatwave that we are experiencing. If an AESD student loses internet connection for any reason, please communicate with the teacher and do your best to get logged back into class.
- If your student experiences any issues with technology, please contact your local school as soon as possible.
- AESD will continue our new bi-monthly Parent Engagement training series. The next training is scheduled for August 20, at 2:00 PM. Due to the high number of participants, all future training will be streamed live onto our [AESD YouTube channel](#) and will be available on demand. A reminder will be sent via ParentLink and posted at [aesd.org](#).

We wish you all continued safety and health during this time.

Sincerely,
Dr. Chris Downing
Superintendent
