Dear AESD Families,

The following information is provided to keep you informed about the Anaheim Elementary School District:

2020-2021 Calendar

Please note that December 17 will be a non-school day for students as teachers will be working in their classrooms to prepare for the return to on-site instruction. More information from each school site will be provided to students and parents.

District Reopening Plan

AESD has developed a District Reopening Plan following the guidance from the California Department of Public Health released on August 3, 2020. In addition, each school will develop a site plan specific to your child's school and will share that information with all families. To access the district plan, please click on the following links:

School Reopening Communication

Every school site will be communicating their site-specific reopening plan with both staff and families in November.

- On 11/2 schools will communicate the A/B cohort assignments for all general education students.
- During the week of 11/9 communication will include screening procedures, visitor policies, and safety protocols.
- During the week of 11/30 communication will include various schedules, safety information, and protocols for symptomatic students and staff.

Thank you for your ongoing support of our district. We wish you continued health and safety.

Sincerely,

Dr. Christopher Downing
