Dear AESD Families,

The following update is provided to keep you informed regarding the Anaheim Elementary School District:

Update on Weekly COVID-19 Data for Anaheim

Our District continues to prioritize the health and safety of stakeholders as our top priority. Although California no longer reports data within the tiered colored system, the City of Anaheim updates their data weekly. There were 273 new cases reported across Anaheim's seven ZIP codes for the seven days through March 22, down from 309 the week prior.

If your child is experiencing COVID-19 symptoms, please keep him/her home and contact your child's health care provider. Please contact your school to report the absence; a COVID-19 related absence is excused. If someone in your household tested positive for COVID-19 and is currently under quarantine or self-isolation, your child should follow the [guidelines](#) from the Orange County Health Care Agency (OCHCA) on how long to remain at home and when to return to school.

COVID-19 Testing at Key Elementary School

Free COVID-19 testing is available at Key Elementary School Monday-Friday from 1:00 p.m.- 5:00 p.m. Click [here](#) to sign up for an appointment and complete the online consent form. **Please note, this testing site is for AESD students and staff only.**

Free Family/Community COVID-19 Testing at Two AESD Sites

Free COVID-19 testing is now available for all AESD families and community members at Mann and Ponderosa every Monday and Wednesday from 4:00 p.m. - 6:00 p.m.

Both antigen and PCR tests are available. Please click here on the [testing flyers](#) to register. This is a walk-in clinic and appointments are not needed.

Vaccine Clinics

Free Pfizer vaccines will be available for anyone ages 5 and older at Ross School on March 30 and April 20 and at Henry School on March 31 and April 21 from 3:00 p.m. to 7:00 p.m. No appointments are needed but please register using this [link](#).

On behalf of our Board of Education and staff members, thank you for your ongoing support of our district.

Sincerely,
Dr. Christopher Downing
Superintendent
