June 8, 2022

Dear AESD Families,

The following update is provided to keep you informed regarding the Anaheim Elementary School District:

Update on Weekly COVID-19 Data for Anaheim

Our District continues to prioritize the health and safety of stakeholders as our top priority. Although California no longer reports data within the tiered colored system, the City of Anaheim updates their data weekly. For the seven days through June 7, Anaheim saw 905 new cases, up from 669 a week earlier.

As the school year comes to a close there are a lot of celebratory gatherings. Please continue to be vigilant. The CDPH strongly recommends masking indoors and seeking testing when displaying any symptoms of COVID-19. You can review the current safety measures from the state [here](#).

ANAHEIM SUCCEEDS! - ELO-P Before and After School Programs

The AESD Expanded Learning Opportunities Program (ELO-P) before/after school program will now be called Anaheim Succeeds! ELO-P supports all participating AESD students. Ensuring that through programming, students have access to daily enrichment and learning. This daily program supports AESD Core Values: Relationships • Collaboration • Achievement by All • Integrity • Creativity and Innovation.

We will communicate ELO-P registration information for the 2022-23 school year beginning on August 1, 2022, to support families in planning for before and after school care. We are excited to offer ELO-P to all interested TK-6 students, free of charge, including Anaheim Achieves, at all our school sites.

Creating Family Memories - Favorite Summer Activities!

As we conclude the 2021-22 school year, we would like to thank you for your commitment to the Anaheim Elementary School District. Your partnership helps our team to continue to find innovative ways to meet the needs of all our students.

AESD takes pride in our collaborative partnership with parents and the community. This summer, we encourage you to take advantage of enrolling your child in our ELO-P summer programs, visiting the local Anaheim Public Libraries, or even taking in an afternoon at our Anaheim Parks. Creating special memories with your children is what makes summer time exciting for families.
